Funder and Publisher News

FORCE11 and COPE Research Data Publishing Ethics Working Group issues recommendations

These recommendations and considerations are meant to serve as resources for repositories, publishers, researchers, research integrity officers, libraries, and other stakeholders that may be involved in the handling of research integrity cases that arise during the publication of research data. For

more information and background on the WG, [check out this blog](#). Or to access the resources directly, [the recommendations are published here](#).

Schedule a Consultation

RDMSG [consultants](#) are available year-round to answer questions and help with data-related problems.

We can meet via Zoom, email, or phone. Send a request to rdmsg-help@cornell.edu to arrange a consultation at a time that works for you.
